Dear Grant and Bridgette:

I enclose our 2013 Application and Plan for a Public Assembly the weekend of Hangout Festival. Last year we had absolutely no problems. I think we had one noise complaint from an unidentified source at 2:00 p.m. A Gulf Shores P.D. unit stopped by and talked to me; whereupon I let him use our digital noise detector to confirm that we were within the law (the department has no noise level detection equipment).

It was successful and our attendee numbers never exceeded the estimated 150 attendees, parking was never a problem and, in fact, we have made the event area smaller, consistent with the event attendance last year.

We hope you can support our application this year. If you need to talk to me please give me a call (985) 607-4335. I would like to talk to you about combining the 2 weekends of Hangout Fest and Memorial Day into one permit.

With best regards, I remain

Sincerely yours,

Ronnie G. Penton
